How long have you worked here?

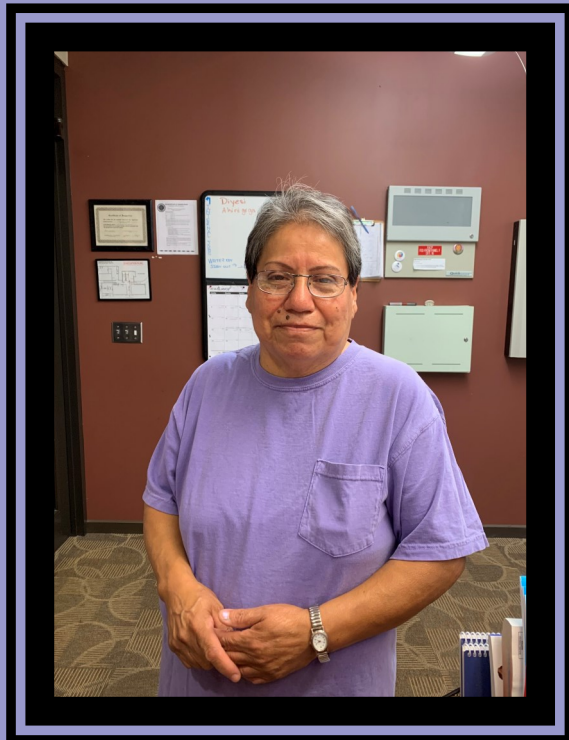

I have worked here for 3 or 4 years and I have loved it. I really enjoy working with the kids.

Which community are you from? Do you have any children?

I live in Painttown, no children but I have 2 nieces. They have been learning the syllabary and have been more interested in the language since I started working here. I have 1 sister, Ramona.

What is your favorite part of working at Kituwah?

Hearing and watching the young ones learn and speak. It makes me really proud when they learn certain words.
