

Starting on 9/12, the Cherokee DOT will start repaving Water Dam Road. The initial phase of the project includes installing a culvert in the area behind the craft shop (as marked) and that part of the road will be closed (entrance from Tsali Manor Road). For several weeks, all staff and parents will need to enter at the first road (Boundary Tree Road) to do the drop off/pickups. Elementary will continue to drop off at the front of the building and EC will drop off at the side. Please let me know if you have any questions.
